

ONE CORPUS — 93 attacks, the same evidence for all three

THE CANARY

19 hit · 74 recorded clean
(most of those 74 were not)

never wrong · almost always blind

PHRASE BANK v1

69 hit · 21 unsure · 3 miss

sees a lot · flags honest replies as attacks

PHRASE BANK v2

26 hit · 61 unsure · 6 miss

never caught lying · shrugs at two-thirds

**certainty and coverage are the same dial.
none of these is the good one —
they are three places to stand.**
